It's membership renewal time again. There will be two levels of support. Regular membership at a modest increase, \$6.00 individual, \$8.00 family. Full membership at \$10 for those interested in access to my library of material on Backgammon which includes such works as Jeff Ward's book on the Doubling Cube and both volumes of Kent Gouldings annotated matches, a monthly newsletter which will have local happenings, area activity, game strategy, problems, rules discussion, point rankings, and perhaps some personal adds of members. The game strategy section will have something of value for all players.

Reserve Oct 29 for a one day tournament featuring double elimination. If interested in playing but not in being a member, let me know so we can get the information to you when it is ready.

Between now and Thanksgiving there are a lot of tournaments in our general area. Call me for any details you desire.

9-17 Dayton, Ohio (1)

9-24 Minneapolis (2)

10-8 Peorio III (1)

10-15 Detroit (3)

10-22 Dayton (1)

11-5 Portage (3)

11-12 Pitsburgh (3)

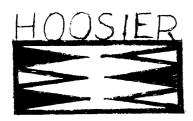

11-19 Dayton (1)

Remember, winning at Backgammon is not a life or death proposition; it's much more important than that.

Happy doubling,

Lawrence A. Strommen
