North American Backgammon Championship, held in the Bahamas and directed by Lewis Deyong, provided plenty of time for backgammon, fun in the sun and in the casino. Butch and Mary Ann Meese, who were on the staff along with Janie Deyong and Joanne Goulding, reported they enjoyed the tournament, the white sandy beaches, the fine restaurants and bargains at the straw market.

Which Side Is Favored?

The following position comes by way of Malcolm Davis of Dallas, Texas. • is on roll in a money game. This is a good proposition problem because the question is Who is favored? In a proposition, a series of games are played out from a position like this one. By playing one side then the other, you can learn the best way to play each side and which side is favored.
