35th INDIANA OPEN - Howard Johnson East - March 20, 21 & 22, 1987.

The 35th INDIANA OPEN is now history with the largest group in attendance in many years. The participants were first entertained at the record calcutta auction by Kent Goulding. With the NCAA basketball going on at the same time, it was hard for some players to keep their attention on backgammon. Local players WOODY WOODWORTH finished second in the Intermediate consolation, ED WRIGHT was a finalist in the Novice Division while 'slim' ALAN TAVEL and RICK REAHARD teamed to place in the Doubles. Congratulations to all the winners.
