## The 8th Annual Chicago Open - May 1987

Another nice event from Howard Markowitz and staff: Joann Feinstein and Mary Ann Meese. This annual Memorial Day event was held at the newly opened Hotel Sofitel. This french hotel gets five stars for service along with its french pastry shop. Trivial Question: Name the team who placed in the same event twice? Answer: Laura Nuhn and John Carrico. The doubles started Sunday evening with Laura and John advancing to the semifinals and losing. They re-entered late and fought back to the finals to revenge their earlier loss.
