**Hoosier Pips:** Gammon points awarded for the **National Labor Day** go toward determining **Player of the Year** but not **Player of the Month**...Received a postcard from Italy-No B'gammon here. *Lovely trip, good weather in spite of rain-down hills faster than up hills.* Signed Bill Julian...Good News: Gabe Stiasny recently received his FSA and now has a job as an actuary. Bad News: the job is in Kansas City with no known organized BG. We all wish you the best, Gabe.
